Plum Creek Awards \$3,000 to Escanaba Eskymo Fan Club Facilities Committee

ESCANABA, Mich. – The Plum Creek Foundation recently awarded a \$3,000 grant to the Escanaba Eskymo Fan Club Facilities Committee, which will be used to construct a new concession stand and bathroom facility at the Escanaba Athletic Field.

The Eskymo Fan Club Facilities Committee is working to construct a new concession stand and bathroom facility as part of a three-year project that includes new buildings and improvements to the football and baseball fields. In addition, all facilities will be handicap-accessible.

“We are grateful to the Plum Creek Foundation for this generous grant and look forward to providing quality, handicap-accessible facilities for our community’s sporting activities,” said Karen Moore, secretary of the Escanaba Eskymo Fan Club Facilities Committee. “It is rewarding to know that businesses like Plum Creek are willing to pitch in for the betterment of our community.”

The mission of the Plum Creek Foundation is to provide philanthropic contributions to support and improve the general welfare of life in the communities that Plum Creek serves. The Foundation board meets quarterly to review applications submitted from organizations in the company’s operating communities. Visit the Community Involvement page on Plum Creek’s Web site at www.plumcreek.com to download an application.

###

Plum Creek is the largest and most geographically diverse private landowner in the nation, with more than 8 million acres of timberlands in major timber producing regions of the United States and 10 wood products manufacturing facilities in the Northwest.
