### **Plum Creek Awards \$3,500 to Presque Isle Community Library**

**TOMAHAWK, Wis.** – The Plum Creek Foundation recently awarded a \$3,500 grant to the newly rededicated Presque Isle Community Library, formerly the Irma Stein Memorial Library, for use toward furnishing the expanded library and learning facility.

The Presque Isle Community Library provides community members of all ages and interests in Presque Isle and surrounding areas with materials to meet their educational, informational and recreational needs. The library strives to stimulate children's interest in learning and appreciation for reading. The facility expansion will allow the library to welcome additional patrons, provide more services and accommodate community members with special needs.

“This grant will help us continue to serve the community by providing a comfortable place to read, learn and explore,” said Jeff Burke, library trustee of the Presque Isle Community Library. “We thank the Plum Creek Foundation for their help in our mission and look forward to what lies ahead.”

The mission of the Plum Creek Foundation is to provide philanthropic contributions to support and improve the general welfare of life in the communities that Plum Creek serves. The Foundation board meets quarterly to review applications submitted from organizations in the company's operating communities. Visit the Community Involvement page on Plum Creek's Web site at [www.plumcreek.com](http://www.plumcreek.com) to download an application.
